SKILLS

- Java Spring and Spring Boot frameworks

- MySQL and MongoDB database management.

- Unit and Integration testing with JUnit and Mockito.

- UML Diagrams

- Design Patterns

- Understanding of the full SDLC.

EXPERIENCE

Weaver Consulting, Rosamond, CA - *Administrative Assistant*
OCTOBER 2018 - PRESENT

- Developed Google Script applications to increase office efficiency and productivity (includes interaction with Google Sheets and Google Calendar APIs).
- Performed administrative tasks such as:
    - Creating and scheduling appointments and clients
    - Drafting and responding to correspondence
    - Ordering and procuring office supplies
    - Managed technology support
- Managed client data (entry, retrieval, analysis)

EDUCATION

Grand Canyon University, Phoenix, AZ - *BS Software Development*
AUGUST 2017 - APRIL 2021
Learned Object-Oriented principles in Java, C#, and PHP through full-stack, project-based, collaborative assignments; and created solo capstone projects through full Agile iterations of the SDLC.
